

2015 Napa Valley Red Wine

TASTING NOTES:

Deep ruby color and rich hue. The nose is complex and shows layers of blueberry, rich plum and red raspberry. Soft notes of vanilla and toast provide aromatic richness. The texture is supple to show off the 2015 vintage. The tannins are lush with long pallet texture. This wine is drinkable now but will continue to improve for 5 to 7 years. This wine will continue to award the most discriminating drinkers.

WINE FACTS:

- **Vineyards:** Vineyards range from cool mountainside sites in south Napa Valley and to our ranches in Oakville and St. Helena and further north. We hand tend all vines in each individual vineyard block. Napa Valley has more diversity in soil composition than all of France.
- **Harvest:** Mid-September through Early October 2015. Grapes were harvested at an average of 25.3° Brix.
- **Winemaking:** All of our fruit is hand sorted and fully destemmed to small stainless steel tanks with no crushing. Cold soaks (5-7 days), warm fermentations (85-90° F), and moderate pump-overs (twice a day or less) were done this year in order to express the 2015 vintage. Total skin contact ranged from 19-34 days with all fermentations being carefully basket pressed and put to barrel on full fermentation lees for ML. Racking was twice per year with only one assemblage being done to allow the blend to “marry” in barrel. Native yeast and ML used with only small lots conducted using cultured Bordeaux isolates.
- **2015 Blend:** 65% Cabernet Sauvignon, 25% Merlot, and 10% Petit Verdot.
- **Cooperage and Aging:** 50% new barrels; 100% French oak. Total time in barrel: 16 months.
- **Bottling:** December 2017. 2,400 cases produced.
- **Final bottling technical information:**

pH: 3.56
TA: 6.5 g/L
Alcohol: 14.2 %
